The parties report the status of this case as follows:

The primary issue in the case is plaintiffs' alleged right to collect fringe benefits under ERISA. Defendant contends that it has terminated its contract with the union. The union filed an unfair labor charge against defendant.

On April 24, 2012 an Administrative Law Judge held a hearing on the charge. Final briefs were filed. As of this date, there has been no decision in the pending NLRB proceeding.

The matter is set for mediation on July 11, 2012.

The parties respectfully request a continuance of the Case Management Conference.
